CAMP KENNYBROOK: WE'RE ALL FOR ONE

HERE'S WHAT SOME OF OUR HAPPY FAMILIES HAVE TO SAY ABOUT THEIR KENNYBROOK EXPERIENCE!

ROBIN FROM LIVINGSTON, NJ

"... our daughter made great friendships and memories and had the best summer of her life! She was able to grow independently and had the opportunity to have new and different experiences."

JEN FROM NEW CITY, NY

"From the first minute, the Landmans were great about getting back to me and answering any questions I had. Camp Kennybrook has a small, close-knit family feel to it and my daughters were welcomed into the family with open arms."

TARA FROM PLAINVIEW, NY

"I really had no idea of the depth, connections and life-altering experience it actually would be for them. It's so much more than just a 7 week camp. It's lifelong skills, friendships and experiences they will take with them forever."

CYNTHIA FROM ARMONK, NY

"At Kennybrook your kids are treated like family, not just a number. That's one of the major reasons why we send our kids there. The Landman Family deliver on what they promise, and they care for your children like their own."
